31) For orders with refee to paras 19 & 23 supra. Law secy for Minister

+/ 7873 5-4-45

32. In G.O.No P.W 7028-29, dated the 14th April 1944, sanction was conveyed to the grant of the sites Nos 30 & 31 in the Kumara Park western extension, applied for by Sri Girija Bai, for the purpose of constructing Sri Mahalakshmi Temple

33 In her application dated the 5th March 1944, addressed to the Minister for Public Works and Industries, she has requested that the additional bit of land measuring 25'x200', situated on the western side of the land already granted above, may be given to her for erecting a "Mahadwara" to the proposed temple, as shown in the accompanying blue print

34) The Engineer Officer has reported that the Minister for Public Works and Industries inspected the spot on the 5th March 1945, when the petitioner made her representation in person and that if the Government are pleased to sanction the strip of land prayed for, it can be made available by modifying the adjacent sites. He however, considers that the two sites already granted would suffice, if the temple faces north, instead of east

35) Thereupon the petitioner, and the Chief Engineer for Roads and Buildings were addressed as to why the temple in question may not face north instead of east The petitioner has stated that, according to the Shastras and Silpy system, a temple constructed facing east or west would survive for a period of 700 years, while the temple facing north or south may not survive beyond a period of 10 years.

36 The Chief Engineer for Roads and Buildings is also

6420 L

of the same opinion and he accordingly recommends that the additional bit of land measuring 25' x 200' on the western side of the land already granted for the temple in the Kumara Park may be given, free of cost, for the construction of a Mahadwar for the proposed Sri Mahalakshmi temple This is for orders.

To

The Secretary,

Public Works Department, Government of Mysore,

Bangalore.

Respected Sir,

We the undersigned most humbly and respectfully beg to bring the following few lines to your kind and sympathetic consideration with a view that our humble prayer would meet with success.-

We beg to bring to your kind notice that the Benign Government of His Highness the Maharaja of Mysore, Bangalore, were pleased to grant us sites bearing numbers 30 and 31 in Kumara Park Extension for construction of a Mahalakshmi Temple. In this connection we may be permitted to mention here that the sites now granted will be only sufficient for the construction of the proposed temple, but there will be no space for construction of a Mahadwara which is most essential for a Hindu temple but there as will be no space for construction of Mahadwara an application to the Minister for Public Works and Electric, Government of Mysore, was submitted on 21st January 1945, which I understand has been sent to your office for needful. The construction of a Mahadwara is a most important and essential one for a Hindu temple as per the Sanathana Dharma(Main Entrance) without which it cannot be called as a Temple. It has to be constructed to a length of 21 feet as per Silpi system and anything constructed less than 21 feet in length it will not be called as a Mahadwara as per sastras. Under the circumstances and as we are making necessary arrangements for the construction of the temple, we request you to sanction us 25 feet of land free of cost on the Western side of the land now granted as road has already been formed on the Eastern side(21 feet for construction of Mahadwara and 3 or 4 feet as a margin) and thus help us to complete the construction. This act of yours will be ever

Bangalore.

Respected Sir,

In continuation of my applications dated 19th February and 21st January 1945 requesting therein to sanction us 25 feet of land on the western side of the land site Nos. 30 and 31 now sanctioned for the construction of Mahalakshmi Temple, Bangalore City, as the land in question is required for the construction of Mahadwara The complete plan is herewith enclosed.

We are under the impression that on inspection of the spot by your goodself, that our request is quite reasonable and that the land of 25 feet now asked for is quite necessary for the purpose.

In the light of the above circumstances, we request you to sanction this 25 feet of land early as we are making speedy arrangements to perform the function of laying the foundation Station. Pray for favourable orders. For which act of kindness and timely help, we shall ever remain grateful.

We beg to remain,

The Secretary,

Law Department, Bangalore.

Respected Sir,

With reference to your endorsement No.L.9563 dated 23rd March 1945 requiring me to intimate as to why the Sree Mahalaxmi temple may not place North instead of East, I wish to express that the Shastras and Silpy underlying the construction of Temple are indicated to lay special significance on the Cardinal directions, the temple has to place. It is interesting to mention that the construction of the Temple in East West direction would strengthen the life of the Temple to a period of 700 years, while the one constructed in North South direction may not work beyond a period of ten years

The fundamental aspect is that the rays of the Sun God has to find direct entry into the Navaranga and Garbhagudi through Mahadwaram. I may be permitted to mention that in the event of a possibility of construction of the temple in the North South direction supported by Agmika, the Government would not have been troubled with this representation. The only fond wish cherished by me and all the devotees eagerly coming forward to put the temple construction on hand is that the Sree Mahalakshmi Temple should serve the example of the existing Sree Laxmi Temple at Khollapur and I request that this much cherished desire is respected by ~~the~~ one and all.

I take this opportunity of requesting the benign Government once again that the extra bit of 25 feet (four feet of putting the steps in view of the lower level of the new road) and 21 feet for Mahadwaram in the Western direction of the sites 30 and 31 may kindly be sanctioned at an early date, so as to facilitate the commencement of the works

i.e. laying the foundation stone next month i.e."Nija Chaitra".

In view of the above circumstances, I once again most humbly and respectfully beg of your honour to be kind enough to sanction the bit of land measuring 25 feet on the Western side of the sites Nos.30 and 31 now sanctioned for the construction of Sree Mahalakshmi temple, may be granted early considering the short time before us for the function of laying foundation stone. Anxiously awaiting your favourable commands.

For which act of kindness and timely help,I shall ever remain grateful and pray for your long life and prosperity.

Yours faithfully
श्री गिरिजाबाई

Respected Sir,

We beg to bring to your kind notice that we submitted an application to your goodself on 10th February 1945 requesting therein to recommend our case to the Chief Engineer to sanction us 25 feet of land free of cost measuring East to West to the sites Nos.30 and 31 situated in Kumbara Park extension, Bangalore for construction of a Mahalakshmi Temple. Up till now nothing has been done in this direction.

We submit that the laying of foundation stone cereroney of the said proposed temple has been arranged to be formed if possible in the first week of March 1945 Hence this application to your goodself once again.

We submit that at the time of sanctioning site Nos.30 and 31 it is only your goodself and the Chief Engineer were able to help us and as such your honour is welaware of all the facts.

In the light of the above circumstances and also for the reasons mentioned in my application referred to above, we most humbly and respectfully beg of your honour to kindly recommend our case to the Chief Engineer for Roads and buildings to sanction 25 feet of land free of cost on the western side of the land now granted as road has already been formed on the Eastern side and thus help us us to complete the construction. This act of yours will be ever remembered and anxiously awaiting your favourable commands.
